The Journal of Value Inquiry is an international philosophical quarterly devoted to the stimulation and communication of current research in axiology. Papers may address themselves to questions concerning the nature, origin, experience and scope of value in general, as well as more restricted studies concerning problems of values in ethics, social and legal theory and practice, science, aesthetics and methodology. The journal is committed to no position or program and, in consequence, invites papers without restriction of method, scope or orientation.

One issue per year contains the proceedings of the Conference on Value Inquiry.

Communications for the editors, manuscripts (in duplicate) from contributors, and books for review should be sent to the Executive Editor, *The Journal of Value Inquiry*, Department of Philosophy, State University College at Geneseo, Geneseo, New York 14454.

The *MLA Style Sheet* will govern all matters of style.

Authors will receive 30 reprints of their articles free of charge. Additional reprints can be purchased at a nominal price, if ordered in advance.

Subscription price: Individuals Guilders 32.40 (including postage); Institutions Guilders 46.80; separate issues: Guilders 15.60

Subscriptions and correspondence in connection therewith should be sent to the publisher:
